...HOOOO!
THANK YOU, EVERYONE!
ONCE AGAIN, THAT WAS MATSURI & KONOMI—!

Heh...
If a sexy lady such as myself were to become even sexier than this, it could be...
Danger-ous.

Today, it feels like the princess's magic could make even Konomi-chan grow taller.
One, two, three, ho...
There~
WAIT, MATSURI-CHAN!

Then as you wish, I have a spell to make you more compact, nano-desu.

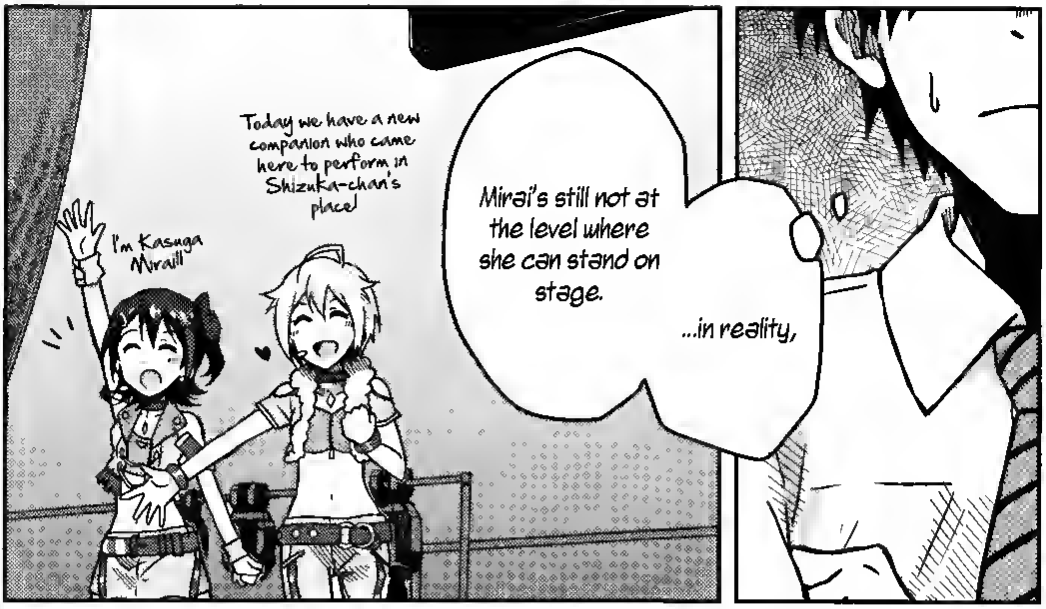
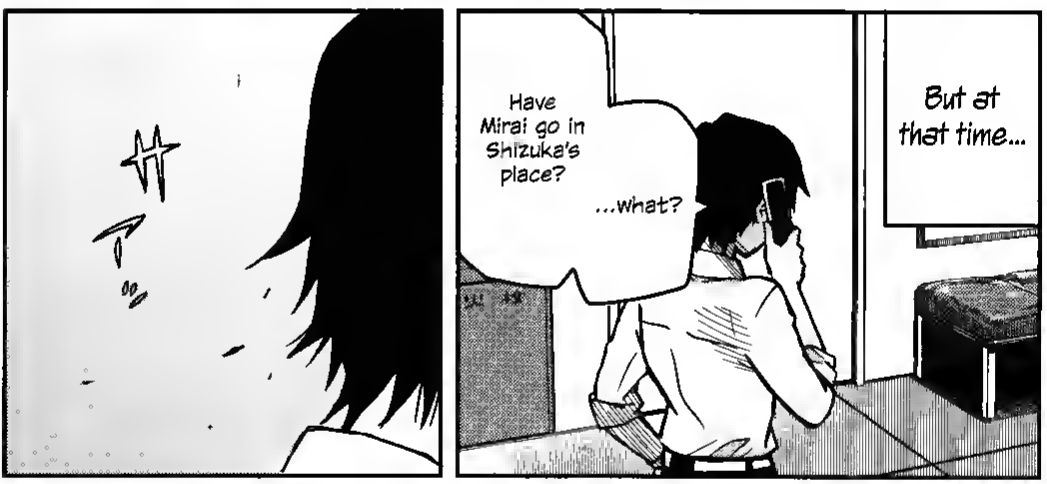
...Producer.



Today we have a new companion who came here to perform in Shizuka-chan's place!
I'm Kasuga Mirai!!
Mirai's still not at the level where she can stand on stage.
...in reality,



Have Mirai go in Shizuka's place?
...what?
But at that time...

12

I felt as if the wind was blowing against my back and pushing me forward.
I understand.
We'll go with that!

Greetings

maybe you can't tell by looking, but she's becoming quite fond of me, you know?
Besides,
Don't worry about her.
Sorry about troubling you earlier.
How was Shizuka holding up?

35

But in any case...
and Shizuka is also at an emotional age.
W-Well, we are the same sex, too,
Ugh she hates me, after all.
